

SLGC TUMBLETTTER SUMMER 2011

NEED TO KNOW INFO - SESSION 5

June 13, 2011 - August 5, 2011

Open Registration... Some of our summer camps and classes are filling up. To guarantee a spot for your child please stop by our office area today! The Summer session is one of our open registrations which simply means that we enroll for summer on a first come first serve basis.

Summer Flexi-Schedule

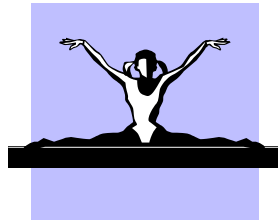

The flexi-schedule allows you to sign up for a particular class and if you can't make that time the whole session, you may use any other flexi time for your classes. All you need to do is call prior to the flexi-class that you wish to attend to make sure that a spot for your child is available. It is not necessary to attend consecutive weeks to take advantage of the Flexi-Schedule and you may attend as many flexi-classes per week as you wish until you have attended all your classes for the Summer Session.

Did You Know??

SLGC offers many other activities for your children. We offer birthday parties, field trips and play groups in addition to all of our summer camps! Book your child's summer activities now by phoning us at 314-968-9494.
