

SLGC TUMBLETTER

Need to Know Info! - Session 2 Session 2, November 7, 2016 - January 21, 2017 Priority Due Date - Saturday, October 22, 2016

The date by which you must pay tuition to be guaranteed your class spot is Saturday, October 22, 2016 after which the holding file will be opened and vacant class spots will be filled. We realize that being shut out of class for nonpayment seems harsh. We also know that overloading classes degrades the kids' educational experience and that will always remain a top priority.

Stickers, Stickers Everywhere!!

If your child is in the developmental class program, I'm sure you have noticed the sticker packets coming home to put on their poster. This program is intended to help you and your children track their progress in gymnastics. If you are new to the gym and did not receive a handout explaining the program, please stop by the front desk and ask for your copy!

Preschool Skill Charts

Skill charts went out to all of our preschool gymnasts the 1st week of the session. Stickers will be given every other week for the skills we are working on. If you are new to our program and didn't receive one please ask your coach! Be on the lookout for Session 2 Skill Charts! These charts are posted on our preschool bulletin board for your convenience!

Gym Supervisor

Developmental classes in the big gym are assigned a Gym Supervisor. If you ever have questions or concerns about your child's class, please talk with your child's coach. If you need further assistance please talk with our gym supervisor.

Think Safety #1, Drop Off Policy

For the safety of your child we have a "give me five when you see your ride" policy... We ask that you do not allow your child to leave the gym to enter the parking lot without a parent. Our coaches will do the best they possibly can to make sure your children are with you before allowing them to leave the gym area. Please do not allow your child to meet you outside. If that becomes necessary, we will need permission from you to allow them to do so.

Please be careful while dropping off and picking up your gymnasts. Turning into SLGC's parking lot and backing out of spaces is tricky with the volume of people coming and going. Please don't allow your child to run across the parking lot or leave the gym to go out into the parking lot alone.
